1. Iruñea / Eguesibar-Sarriguren

04/03/2017

153.3 km.

First stage of this edition will start at the capital city of Navarre, Pamplona. With few difficulties, riders will have to climb 2nd category Erro twice and 3rd category climb Mezkiriz will follow after on. Considering they will still have 60 kms to finish, winner could be decided among fastest riders of the bunch. Last 3 kms in Eguesibar are very flat, only point to pay attention to is a 90 degrees bend when 300 metres left.
