

Euskal Herriko 57. Itzulia

2017-03-24 01:37:32

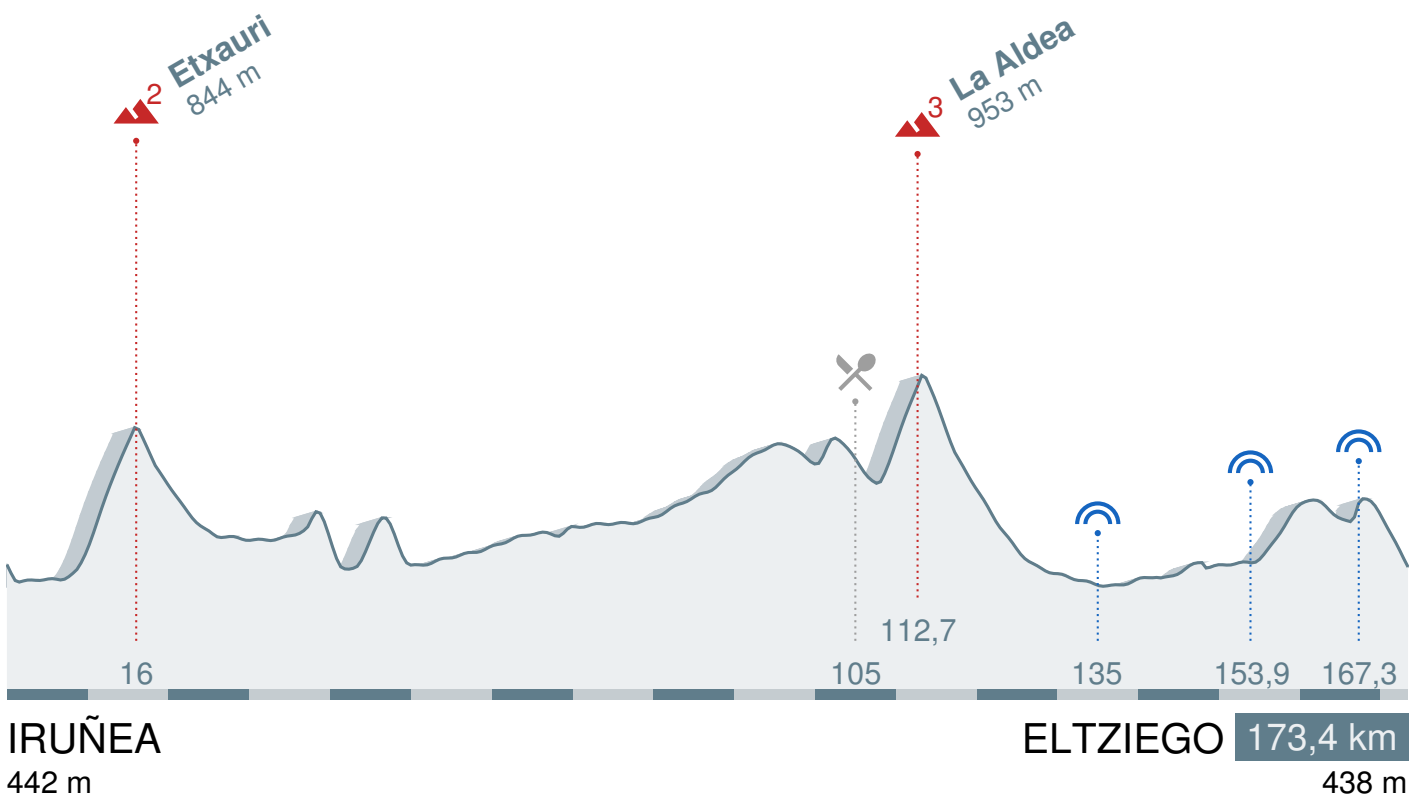

2. Iruñea / Eltziego

04/04/2017

173.4 km.

Stage will start with a hard climb, Etxauri, 16 kms from the start. Riders will continue to Araba province later and next climb will be at km. 112, la Aldea, in a short get in and out to Navarre, but 60 kms yet to the finish line. However, stage hunters could have their chances attacking in some small hills or taking advantage of wind or bad weather conditions, as they could influence last kms. In case a big bunch arrives to Eltziego, we could see a very fast sprint, as last 3 kms are slightly downhill.
